The Heads of the Departments are hereby directed to regulate the below mentioned policy for MID COURSE improvements to align the performance of students.

The following policies are recommended by the academic council for midcourse improvement.

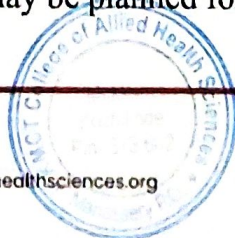

In case, any of the student has not cleared or not attained the minimum eligibility marks in preliminary examination and or university examination, or any absenteeism due to illness/ health issues are identified/reported, then the below mentioned steps may be initiated as a part of MIDCOURSE improvement:

- ❖ Special care by the Mentor
- ❖ Discuss the content of the course or the specific content mentioned by the student in an understandable, capsulated manner.
- ❖ Make available the previous year's university question papers updated, to the students
- ❖ The lecture notes, any material prepared by the faculty, power point presentations prepared by the subject experts, reference books from library, access to any e-course or e- content have to be mobilized to the concerned student.
- ❖ Remedial teaching shall be scheduled, whenever needed, based upon observation or either upon request from the student. ICT enabled tools such as google meet, google classroom, videos, moodle, Edpuzzle are used to fulfil this purpose.
- ❖ Assignments that encourage the interest and enable the capabilities of the students' can be decided by the subject expert.
- ❖ Hospital based clinical case scenarios, training models, simulations are shown and discussed relating to the course outcomes specified, pertaining to each department.
- ❖ Practice on the presentation skills training is provided to the students by the subject experts.
- ❖ Seminars in special topics may be planned for such students.
