ACTION TAKEN REPORT

- ❖ Institutional Regulations: With a commendable score of 58.5%, the college demonstrates outstanding commitment to institutional regulations. This denotes a well-established structure. A sustained focus on preserving clarity and alignment with educational goals is regulated to improve this element even further.
- ❖ Institutional Settings: With a score of 57.5%, institutional settings exhibit a positive overall environment. Continuous efforts are made to maintain and improve this good mood in order to provide a favourable and effective learning environment for the students.
- ❖ Extracurricular Activities: With a score of 58.5%, the college excels at providing a varied choice of extracurricular activities. To maintain this good trend, it has been recommended that a variety of options be offered that cater to the different interests of students, hence increasing overall student engagement.
- ❖ Teacher-Student Relationship: A notable score of 58.5% shows positive teacher-student connections. This feature must be fostered and nurtured in order to maintain a helpful learning environment. The college has advised to prioritize projects that enhance these relationships in the future.
- ❖ Classroom Amenities: A score of 50 indicates that classroom amenities are satisfactory; nonetheless, there is space for improvement. Upgrades are considered to improve the overall learning experience. Investing in improved amenities have contributed to a more comfortable and conducive teaching atmosphere.
- ❖ Parents-Teacher Interaction: With a score of 60.4%, the college displays a strong parent-teacher interaction. Maintaining an efficient communication channel is critical for long-term collaboration. Encouraging and maintaining this pleasant relationship helps considerably to an overall success of the campus community.
